

**MINUTES OF A REGULAR MEETING OF THE GILCHRIST COUNTY BOARD OF
COUNTY COMMISSIONERS HELD JUNE 21, 2010.**

The Gilchrist County Board of County Commissioners, in and for Gilchrist County Florida, convened in a **Regular Meeting** on Monday, **June 21, 2010**, at **4:00 p.m.**, in the Board of County Commissioners Meeting Room located at 210 South Main Street, Trenton, Florida, with the following members' present to-wit:

Commissioner D. Ray Harrison, Jr., Chairman
Commissioner Randy Durden
Commissioner Sharon A. Langford
Commissioner Kenrick Thomas

Others in Attendance: Joseph W. Gilliam, Clerk of Court; Jacki Johnson, Director of Finance; Patty McCagh, Board Secretary; John K. McPherson, County Attorney; Ron McQueen, County Administrator; Carrie Mizell, Gilchrist County Journal; Julee Brideson, Administrative Assistant; Billy Cannon, Road Department Superintendent; Richard & Leslie Esseck; Leon & Alex Wyszowski; Joyce Ferrante; Lowell Chesborough; Don Bennink & David Temple, North Florida Holstein Dairy; Lawrence & Beverly Diaz; Gerald & Joanne Roberts; Lee Mills, Mills Engineering; Lloyd & Elise Whann; Cary Goldberg & John Bastow, Oak Tree Landing; Georgia Shemitz; Herbie & Gail Brown; and Steve Gladen.

Call to Order: Chairman Harrison called the meeting to order at 4:01 p.m. with Commissioner Randy Durden delivering the invocation and Commissioner Sharon A. Langford leading the pledge of allegiance.

Chairman Harrison announced that **Commissioner Tommy Langford, Vice Chairman**, will not be present at this meeting; he is on vacation.

Agenda Changes

- Mr. Joseph W. Gilliam, Clerk of Court, presented the following agenda change:
 1. Addition: Request from Suwannee Valley League for the Boards support (\$), for State Playoffs

Motion made by Commissioner Sharon Langford, seconded by Commissioner Kenrick Thomas, to approve the Agenda as presented, with noted changes. Motion carried 4-0.

Consent Agenda

Approval of Minutes

Resurface Sun Springs Road (SW 20th St)	

Dixie County Inmate Housing

May 2010	\$7,139.94
----------------	------------

Motion made by Commissioner Randy Durden, seconded by Commissioner Kenrick Thomas, to approve the Consent Agenda as presented. Motion carried 4-0.

County Administrator's Report

Mr. McQueen, County Administrator, presented the following documents, and/or addressed the following issues.

Animal Services; Building Enclosure Update: Mr. McQueen requested the Board's consent to obtain costs for repairs and changes instead of enclosing the building with heating & air conditioning.

The Board agreed to Mr. McQueen's request as long as costs stay within the current budget.

Animal Services; Monthly Reports: Mr. McQueen provided, for the Board's information, the monthly reports for Animal Control. The reports are in a new format. The Board requested that the name and address of the complainant be noted on the report. Informational purposes only.

EMS - Florida Crown Work Experience Program Agreement: Mr. McQueen presented for the Board's approval and Chairman's signature, the Florida Crown Work Experience Program Agreement. He stated that the FCW is providing us one person to work with the EMS through the summer. The County Attorney has acknowledged review of the agreement.

Motion made by Commissioner Kenrick Thomas, seconded by Commissioner Randy Durden, to approve the Florida Crown Workforce Experience Program Agreement and to allow the Chairman to sign. Motion carried 4-0.

EM - Service Contract for Generators: Mr. McQueen provided the new, simple Service Contract with Chadwell & Sons, Inc. which simply states what has been agreed to. He requested that the Chairman be authorized to sign. Commissioner Durden addressed the issue of the contract NOT stating that it is a 'yearly' contract, no time period is noted. Discussion took place...

Motion made by Commissioner Randy Durden, seconded by Commissioner Kenrick Thomas, to accept the contract as presented subject to the addition of the ‘term of one (1) year service’ and the specifications of the bid; and to allow the Chairman to sign.

Commissioner Durden stepped out of the room for a minute. Motion carried 3-0.

Otter Springs; Introduction of the new Park Manager: Mr. McQueen introduced, Kadie Ogden, the new Park Manager, for Otter Springs.

Commissioner Durden returned...

Otter Springs Road: Mr. McQueen updated the Board since the last meetings report given by Lee Mills, County Engineer.

Mr. Lee Mills, County Engineer, explained that we basically bid the project as a *surface treatment* type road, because that type of construction was much less expense and this would be a means to get it done. Basically, the road has deteriorated since this road project has been bid, due to freeze damage. A surface treatment road is real prone to damage and once it gets started it is difficult to try and patch. If we were to pull the surface treatment from the original bid we would expect a savings of approximately \$12,000.00. Based on proposal provided by Hipp Construction, if we go in and add a 1” surface of asphalt over that ½ mile it’s going to increase the project, in addition to what we save, the \$12,000.00, it will increase the total project by roughly \$21,000.00. If we put 165 pounds a square yard, which is more the way we normally treat these type of conditions, it will increase the total project by \$34,000.00. Discussion took place...

Mr. Mills stated that we would see a number of years of improved surface, in the leveling course, if we went ahead with the difference of 1” and 1¼” (closer to 1½”), which is the minimum level course that can be applied under the FDOT specs.

Mr. Mills recommended, if the County could afford it, for the longevity of the road, he’d go with the 165 pounds of asphalt, overlay it, let them smooth it out with hot asphalt, and then put a 1” surface on it. In the long run he believes that this would be the most cost efficient.

Mr. McQueen has spoken with David Still, SRWMD. Based on this meeting, Mr. Still’s preference is to go with asphalt and for us to send him a request (tomorrow) to be put in his board packet for their Board to consider at their next meeting.

Motion made by Commissioner Kenrick Thomas, seconded by Commissioner Sharon A. Langford, to send a letter to the SRWMD in support of 1½”, including all costs/services involved. Motion carried 4-0.

Time Certain

4:15 p.m. Bennink/Temple, North Florida Holsteins: Mr. McPherson provided some background information on the issue of the County Road 232 Road Damage believed to be caused by the width and weight of farm equipment used by North Florida Holsteins. A power point presentation showing the road damage was provided for the Boards viewing.

Mr. McPherson stated as directed at the last meeting, Mr. Don Bennink and Mr. Dave Temple Owners, of North Florida Holsteins, are present. Discussion took place...

Mr. Bennink and Mr. Temple addressed the Board and explained the piece of equipment that is accused of damaging CR 232. They are willing to do what they can to prevent any further damage to the road.

The Board took NO action at this time, but will continue to monitor CR 232.

Time Certain

4:30 p.m. Road Department Report

Mr. Cannon addressed the issue whether the County is responsible to maintain SW 77th Avenue (a section of about 184' in Sun Springs Subdivision).

Mr. Cannon stated that to his knowledge, for at least the past sixteen years, the County has not maintained this road. He explained that Mr. Gerald Roberts had usually provided needed maintenance with his rock and his personal equipment.

Ms. Gail Brown addressed the Board and expressed her opinion questioning why the road couldn't be graded.

Commissioner Harrison asked, *'why hasn't the road been County maintained for the past seventeen years, or more? Is it not a County road?'*

Mr. Cannon stated that he hadn't researched, as far as the platted subdivision, what has been or hadn't been accepted. It was Ms. Browns understanding that the road had been abandoned. Discussion continued...

It was discussed that the section of SW 77th Avenue falls in the flood zone which SRWMD does not allow improvement to current road conditions by bringing in any additional rock or fill. It can only be maintained at its current state.

Mr. Gerald Roberts, who has lived on SW 77th Avenue for many years, addressed the Board with his recollection of never knowing the County to maintain this road.

Mr. Herbie Brown, property owner of land/home adjacent to said road, addressed that Board and said that he knows the road to be graded by the County in 1999.

Mr. Lawrence Diaz, resident residing on said road, addressed the Board, and described the condition of the road. He submitted for the record, several letters from residents residing on the said road, asking that the road NOT be maintained by the County.

Mr. Lloyd Whann, resident residing on said road, addressed the Board on the issue of the thru traffic traveling on the easement to avoid traveling on the poorly conditioned road. He and his wife are satisfied with the conditions and maintenance done up to their road.

Discussion continued...It was mentioned that this issue seems to be a neighborhood dispute, on private property, not on County maintained property.

Mr. McPherson stated that there is no evidence that leads for belief that this is a County maintained road. If the County has never maintained this road then it is not a county road, but a private roadway; there are signs posted for 5mph, which *are not* standard County speed limits.

Motion made by Commissioner Randy Durden, seconded by Commissioner Sharon A. Langford, to leave SW 77th Avenue as a NON County Road; as there is no evidence that the County has ever maintained it. Motion carried 4-0.

4:45 p.m. Lowell Chesborough

Mr. Chesborough addressed the Board with the request for consideration of reviewing/revising the ordinance governing outdoor music events. He referenced an ordinance for Article 2 Commercial Circuses, Outdoor Festivals, Carnivals, and Outdoor Concerts Regulations. Discussion took place...

It was recommended that a workshop be set sometime in August for further discussion on this issue; and that Mr. Chesborough provide information on what sections of the ordinance he wished for the Board to consider revising and to meet with the County Attorney to draft such language.

Motion made by Commissioner Randy Durden, seconded by Commissioner Kenrick Thomas, to approve the request made by Mr. Chesborough to amend or revise the County ordinance governing outdoor music events; and to schedule a workshop in August for further discussion. Motion carried unanimously.

5:00 p.m. Review of Evaluation and Appraisal Report

Ms. Laura Dedenbach, Planning Consultant, for the Evaluation and Appraisal Report (EAR), presented and reviewed the EAR, for the Boards adoption.

Ms. Dedenbach stated that the Gilchrist County Planning Commission recommended approval of the EAR at their regularly scheduled meeting on May 24, 2010; and that the EAR be adopted (in the form of a resolution) by the Board of County Commission. She continued by explaining the process, in which the EAR will be forwarded, for approval, of the Florida Department of Community Affairs. Discussion took place...

Commissioner Durden addressed a correction to be made in the EAR... on page 2-6 of the report, under Infrastructure (Sanitary Sewer, Solid Waste, Drainage, Potable Water, and Natural Groundwater Aquifer Recharge) Element...

...~~Nature Coast Water Authority Water~~ needs to read Nature Coast Regional Water Authority

Ms. Dedenbach acknowledged the correction and will take care of it (throughout the whole report, where need be).

Resolution 2010-33 was presented and Chairman Harrison read the short title as follows:

RESOLUTION 2010-33

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF GILCHRIST COUNTY ADOPTING THE EVALUATION AND APPRAISAL REPORT FOR THE GILCHRIST COUNTY COMPREHENSIVE PLAN; STATING THE INTENT OF THE COMMISSION TO AMEND THE COMPREHENSIVE PLAN BASED UPON RECOMMENDATIONS CONTAINED IN THE REPORT; AND APPROVING TRANSMITTAL OF THE REPORT TO THE DEPARTMENT OF COMMUNITY AFFAIRS IN ACCORDANCE WITH SECTION 163.3191, FLORIDA STATUTES

Motion made by Commissioner Randy Durden, seconded by Commissioner Sharon A. Langford, to approve Resolution 2010-33. Chairman Harrison called for any public comments...none noted; any further discussion...none noted. He then called for a vote. *Motion carried 4-0.*

5:30 p.m. An application by Oak Tree Landing, Ltd. /Oak Tree Landing GP, LLC

An application by Oak Tree Landing, LTD. /Oak Tree Landing GP, LLC, proposing an amendment to the Comprehensive Plan to include a new mixed-use Land Use Category called "Rural Florida Destination Village" (RFD); AND An application by Oak Tree Landing, Ltd. /Oak Tree Landing GP, LLC, proposing an amendment to the Future Land Use Map changing the land use designation on the subject property from Agriculture A-2 to Oak Tree Landing Rural Florida Destination Village (RFD).

Chairman Harrison stated that it is his understanding that this application is being presenting again because the EAR had not been filed, and all that we are doing now is reapproving the application that was submitted back in November 2009, and that nothing has changed on the application that we (the Board) had approved prior on this issue; except now that the EAR has been filed.

Mr. McPherson, County Attorney, confirmed that the information/everything received back in November (all that applies to this) is all exactly the same. The only thing he did was change the ordinance number. There was one very last section that dealt with the fact that we had not adopted our EAR, which is no longer true, so that section was taken out.

Chairman Harrison called for any public participation...

Mr. Steve Gladen addressed the Board and requested that he get some assurance that the written comments that were provided by concerned citizens, back in November, will be forwarded to the DCA.

Mr. McPherson stated that a packet will be put together similar to what was done the first time around and that will go to DAC.

Chairman Harrison read the short title to Ordinance 2010-01, as follows:

ORDINANCE 2010-01

AN ORDINANCE OF GILCHRIST COUNTY, FLORIDA, AMENDING ORDINANCE NO. 94-01, AS AMENDED; RELATING TO AN AMENDMENT OF TEN OR MORE ACRES OF LAND TO THE FUTURE LAND USE MAP AND TO THE TEXT OF THE GILCHRIST COUNTY COMPREHENSIVE PLAN; PURSUANT TO AN APPLICATION BY THE PROPERTY OWNER OF SAID ACREAGE, UNDER THE LARGE SCALE COMPREHENSIVE PLAN AMENDMENT PROCEDURES ESTABLISHED IN SECTIONS 163.3161 THROUGH 163.3215, FLORIDA STATUTES; PROVIDING FOR A CHANGE IN LAND USE CLASSIFICATION FROM AGRICULTURAL-2 TO RURAL FLORIDA DESTINATION VILLAGE (RFD) ON CERTAIN LANDS WITHIN THE UNINCORPORATED AREA OF GILCHRIST COUNTY, FLORIDA; PROVIDING FOR AMENDMENT TO THE TEXT OF THE FUTURE LAND USE ELEMENT, THE CONSERVATION ELEMENT, THE CAPITAL IMPROVEMENTS ELEMENT, AND THE SANITARY SEWER, SOLID WASTE, DRAINAGE, POTABLE WATER AND NATURAL GROUNDWATER AQUIFER RECHARGE ELEMENT; AND PROVIDING AN EFFECTIVE DATE.

Motion made by Commissioner Kenrick Thomas, seconded by Commissioner Randy Durden to approve Ordinance 2010-01. Chairman Harrison called for any further discussion... Mr. McPherson pointed out that the applicant, Mr. Cary Goldberg was present.

Chairman Harrison then called for a vote... *Motion carried 4-0.*

County Administrator's Report continues...

Otter Springs "Spring House Lodge" Air Conditioning Update: Mr. McQueen updated the Board on the Otter Springs "Spring House Lodge" Air Conditioning. He stated the unit is being installed, as bid, and the contractor will be working around the rentals so that they will not disrupt the rentals, of the Spring House Lodge. There are a few things that our maintenance man will have to do with the vents at the end of the house so the outside air doesn't come in anymore. This should be complete within 2-3 weeks. Informational purposes only.

Community Development: Mr. McQueen presented a request from Frank Ritter, Building Official. Mr. Ritter is requesting that the Board consider modifying the square footage so that a permit doesn't have to be obtained in order to put a larger *handy house* in; currently we allow 10' x 10' (100 sq. ft.). Mr. Ritter's request is to increase the exempt square footage (for sheds) from 100 sq. ft. to 300 sq. ft.

Mr. McQueen explained that the reason for Mr. Ritter's request was for that fact that people don't comply anyway creating an issue with code enforcement (this will handle most of the sizes). This consideration/request was brought back from the Building Officials conference that Mr. Ritter attended.

Motion made by Commissioner Sharon A. Langford, seconded by Commissioner Randy Durden, to direct the County Attorney to amend the Building Department ordinance to exclude Handy House or Portable Buildings from permitting, up to 300 sq ft. Motion carried 4-0.

Suwannee Valley League: Mr. McQueen presented a request to allow the SVL ball team to use the county parking lot for a car wash. The funds raised will be used to participate in the State Tournament.

Motion made by Commissioner Randy Durden, seconded by Commissioner Sharon A. Langford, to approve SVL request to use the county parking lot for a car wash. Motion carried 4-0.

Email from Senator Oelrich's Staff: Mr. McQueen presented a copy of an emailed received from Senator Steve Oelrich's Staff regarding DOT Traffic Enforcement. This issued of the unsafe vehicles used to haul watermelons was addressed. These defects were sufficient to meet and exceed Commercial Vehicle Safety North American Safety Standards and the DOT Officer was required to order the vehicle(s) out of service and off the road until such time as they could be repaired. Informational purposes only.

Attorney's Report

Mr. John McPherson, County Attorney, presented the following documents, and/or addressed the following issues.

Ordinance 2010-01, Oak Tree Landing Comprehensive Plan Amendments: Mr. McPherson stated that this ordinance was presented and adopted earlier at this meeting.

Resolution 2010-32: Space Exploration: Mr. McPherson presented Resolution 2010-32 for the Boards approval.

Motion made by Commissioner Randy Durden, seconded by Commissioner Kenrick Thomas, to approve Resolution 2010-32. Chairman Harrison read the short title as follows:

RESOLUTION 2010-32

A RESOLUTION OF THE GILCHRIST COUNTY BOARD OF COUNTY COMMISSIONERS SUPPORTING A STRONG U.S. MANNED SPACE PROGRAM; AND PROVIDING FOR AN EFFECTIVE DATE.

The Chairman then called for any further discussion...none noted. He then called for a vote... ***Motion carried 4-0.***

Resolution 2010-33: Adoption of EAR: Mr. McPherson stated that this resolution was adopted earlier at this meeting.

Road Department Tractor and Limber: Mr. McPherson stated that GreenSouth is preparing the documents for the two-year extension of the warranty.

Damage to County Road 232: Mr. McPherson stated that this issued was addressed earlier at this meeting. Representatives from North Florida Holsteins were present to address the Commission's concerns. He had provided Florida statutes dealing with damage to public roadways.

Hidden Oaks Roads: Mr. McPherson stated that the County has reviewed its file on this subdivision, and the developer has reviewed his file, and there is no documentation that the developer requested an inspection of the roads after one year so that the County could accept the roads. The only documentation is that the County inspected the roads prior to final plat approval and found the roads to be in compliance. He stated that it is his opinion that the developer is the owner of the roads at this time, and will remain so until he asks the County to inspect them and, if they pass inspection, to accept them as county roads.

Mr. McPherson stated that this being the case, he sees no legal impediment to the developer maintaining a gate at the entrance of the subdivision to prevent potential damage to what, at this time, are private roads. The developer is running the risk that when he does finally ask the County to come out and inspect the roads, they will have deteriorated and not pass inspection. If that happens, the developer will have to make repairs before the County would accept them as county roads. The developer says he understands this risk. Discussion took place...

The Board agreed with the Chairman's suggestion to set a committee to provide recommendations on Road Dedications; committee to be made up of the County Administrator, County Road Superintendent, County Engineer, County Attorney, and BoCC Chairman.

The Board agreed to allow the gate, at Hidden Oaks Subdivision, to remain up and locked, for the time being.

Clerk's Report

Mr. Joseph W. Gilliam, Clerk of Court, presented the following documents, and/or addressed the following issues.

Court Facilities Trust Fund - Purchase Request: Mr. Gilliam presented a request from Judge Philman, for the purchase of a Judicial Robe, in the amount of \$410.50, from Bentley & Simon. Costs are to be funded out of the Court Facilities Trust Fund.

Motion made by Commissioner Randy Durden, seconded by Commissioner Sharon A. Langford, to approve the purchase of a judicial robe to be funded out of Court Facilities Trust Fund, in the amount of \$410.50. Motion carried 4-0.

Guardian ad Litem Space Request: Mr. Gilliam presented a request from the Guardian ad Litem, for the consideration of relocating to office space in Chiefland, Florida, Levy County. Mr. Gilliam provided background information on the responsibility that the County has, per Florida Statutes, to be provide adequate space, utilities, and communications to the Guardian ad Litem program.

The move would be combining the Levy and Gilchrist Offices for Guardian ad Litem. The cost would be shared between both counties; approximately \$1,570.00 per month, 60% Levy and 40% Gilchrist, suggesting that Levy County being the Lessor since the building is in Chiefland.

Motion made by Commissioner Randy Durden, seconded by Commissioner Kenrick Thomas, to approve the request for relocating Guardian ad Litem to Levy County and to setup a line item in the amount of \$628.00, for monthly costs, as presented by the Clerk. Motion carried 4-0.

Next BOCC Meeting; Tuesday, July 6, 2010 @ 1:30 p.m.: Mr. Gilliam reminded the Board that our next meeting that was scheduled for Monday, July 5th has been rescheduled to Tuesday, July 6, 2010 @ 1:30 p.m., due to the Fourth of July holiday. At that meeting, he and Ms. Jacki Johnson, Director of Finance, will be presenting the Tentative Budget, for the Boards review. Informational purposes only.

Budget Recap FY 09/10: For the Boards information and review, Mr. Gilliam presented the Budget recap for FY 09/10. No action required.

FY 09/10 Revenue Reports: Mr. Gilliam presented for the Boards information and review the FY 09/10 Revenue Reports. Informational purposes only, no action required.

Request from Property Appraiser for Disposal of Equipment: Mr. Gilliam presented a request from the Property Appraiser to approve the disposal of the following items:

1. #2662 Gator Works Computer Acquired 09/01/2003
2. #2228 HP Computer with 21" Monitor Acquired 01/01/2000

The Property Appraiser noted in his request that the noted items were outdated and has been disposed/cannibalized.

Motion made by Commissioner Sharon A. Langford, seconded by Commissioner Kenrick Thomas, to approve the Property Appraisers request to dispose of the above noted items. Motion carried 4-0.

Tax Assessment Correction Register: Mr. Gilliam presented, for the Boards approval, the Tax Collectors Corrections Report. He stated that through the end of the year there was an increase in the amount of \$822.48, in Corrections and a decrease in the amount of \$38,593.86, for a net decrease on our E&I, in the amount of \$37,771.38, total of 76 parcels.

Motion made by Commissioner Randy Durden, seconded by Commissioner Sharon A. Langford, to approve the E & I Report as submitted by the Tax Collector. Motion carried 4-0.

Tax Certificate List: Mr. Gilliam presented the Certificate List of the County held Certificates, for the Boards approval. He stated that the Tax Collector just recently did her certificate sale. There were a total of 165 parcels that they did not receive bids on, totaling \$45,135.48.

Motion made by Commissioner Randy Durden, seconded by Commissioner Sharon A. Langford, to approve the Tax Certificate List as submitted by the Tax Collector, in the amount of \$45,138.48. Motion carried 4-0.

BIS Digital Support Agreement Renewal: Mr. Gilliam presented the annual renewal maintenance and support agreement, on the BIS Digital recording System, in the amount of \$800.00.

Motion made by Commissioner Sharon A. Langford, seconded by Commissioner Kenrick Thomas, to approve the annual renewal support agreement with BIS Digital, in the amount of \$800.00. Motion carried 4-0.

Agenda Change

Mr. Gilliam presented a request from Suwannee Valley League, for the Boards support for costs to attend the State Tournaments.

Motion made by Commissioner Randy Durden, seconded by Commissioner Sharon A. Langford, to donate/support the Boys & Girls teams of the SVL, in the amount of \$500.00 for each team to attend the State Tournaments. motion carried unanimously.

Mr. McPherson addressed a correction that needs to be made to the Support Agreement with BIS Digital. He stated that under section 6 c...the venue needs to reflect Gilchrist County **not** Broward County. He requested that the motion reflect that the agreement be approved subject to the correction changing the venue.

Commissioner Sharon Langford restated her motion to approve the BIS Recording System Support Agreement subject to the noted change of the venue to reflect Gilchrist not Broward County, in section 6 C, seconded by Commissioner Kenrick Thomas. Motion carried 4-0.

Commissioners Reports: None Noted.

Old Business: None noted.

New Business: None noted.

Public Participation: None noted.

Adjourn: With there being no further business... ***A motion was made by Commissioner Randy Durden, seconded by Commissioner Kenrick Thomas, to adjourn. Motion carried unanimously. Chairman adjourned at 6:25 p.m.***

Board of County Commissioners
Gilchrist County, Florida

Approved:

Attest:

Joseph W. Gilliam, Clerk of Court

D. Ray Harrison, Jr., Chairman
