

# FREE Tie-Down Installations

## GULF COAST STATE COLLEGE MOBILE HOME TIE-DOWN PROGRAM

**Was your  
manufactured  
home  
installed  
before 1999?**

*You may be eligible for  
FREE  
tie-down installation.*

The GCSC Mobile Home Tie-Down Program is grant-funded through the Florida Division of Emergency Management. We contract with licensed Florida mobile home installers to retrofit additional tie-down anchors to increase your home's wind resistance.

The program is available for mobile home communities and individual properties.

We prefer park applications to come from the manager or HOA representative to help coordinate services.

**CALL 448-201-6882**

**EMAIL** [tiedownprogram@gulfcoast.edu](mailto:tiedownprogram@gulfcoast.edu)
